2013 Spring Green Summer Recreation Program

Hello everyone, my name is Erica Schauf and I'll be running the Summer Recreation Program this summer. I'm extremely excited to have this opportunity and I can't wait to see what the summer will bring! The Summer Rec Program is an excellent opportunity for kids to learn and play interactive games, develop new hobbies, and have a blast this upcoming summer. **The program is open to children from first to sixth grade.** There are five separate sessions, each lasting two weeks*; each session has two different portions, a morning section (9:00 am-Noon) and an afternoon section (1:00 pm-3:00 pm). ***PLEASE NOTE: There will be no supervision provided between 12:00 pm and 1:00 pm.***

Sessions are as follows:
Session 1: June 10th-June 21st
Session 2: June 24th-July 5th
Session 3: July 8th-July 19th
Session 4: July 22nd-July 26th *(this session only lasts one week and therefore is half price)
Session 5: August 5th – August 16th

Each session will be similarly structured:
--Each morning includes numerous activities, games, and sports. These include: foursquare, softball/baseball, dodgeball, basketball, soccer, Frisbee, scavenger hunts, playground fun, hiking, and much more. I'm always open to suggestions and new ideas!

--In the afternoon on Mondays and Wednesdays we'll be going to the Spring Green Public Pool. I ask that your child be able to swim without floatation devices and be able to touch in the shallow end in order to attend these sessions. Tuesday and Thursday afternoons we'll be doing assorted Arts and Crafts. Friday afternoons will be a mixture of crafts and games.
