Thank you for reserving a shelter with the Village of Spring Green. Renting a park shelter entitles you to the responsibility of properly cleaning and maintaining the area following your event. Below is a checklist that will assist you so that the Village will be able to return your security deposit to you.

_____ Floors need to be swept

_____ Table tops need to be wiped clean

_____ If you moved extra picnic tables or benches into the shelter, return them to original spot

_____ Garbage cans will have plastic bags in place. You are responsible for removing the garbage bags and placing them in the nearby dumpster. You must place a new bag in the garbage can. New bags are located in the bottom of the can. If the dumpster is full and your bag won't fit, you must take it to the next closest dumpster or take the trash with you.

_____ Be sure to turn off any lights in the shelter prior to leaving.

The Village crew will have the shelter and surrounding area clean prior to your event and will inspect it the same day following your event. Assuming the shelter and surrounding area meet the above requirements, your security deposit will be returned to you at the address indicated on the reservation form.

Again, thank you for using the facilities in the Village of Spring Green.
