

## Youth Services Librarian, Spring Green Community Library

The Spring Green Community Library is looking for a creative, energetic team player to lead our youth services projects. This position will work with the director to plan youth and teen programs, make community connections, and manage the youth and teen collection.

The day-to-day of the job would consist of spending time helping out on the desk, delivering books, communicating with community partners, running story times, and planning future crafts and programs. The YS Librarian with the help of the YS Assistant works to provide excellent service to the kids and families of Spring Green.

Home to Frank Lloyd Wright's Taliesin, American Players Theater, the House on the Rock, and Tower Hill State Park, the vibrant village of Spring Green is the crown jewel of the River Valley, a place where nature and art meet. Just 45 minutes from Madison, our quiet village boasts endless recreational and creative opportunities in Wisconsin's beautiful Driftless Region.

The busy community library belongs to South Central Library System where we maintain a collection of over 35,000 items and circulate over 80,000 items each year with an annual budget of \$270,830. Located in the village center, the Spring Green Community Library serves the village, the River Valley School District, and its outlying communities with a passionate staff, active Friends of the Library group, and widespread community support.

Wage Range: \$15-16 per hour

Schedule: 22 hours per week, including one Saturday a month

Requirements: Bachelor's degree in a related field and/or experience in a public library or early childhood setting.

Applications accepted until position is filled
