Sewer Deduct Meter Installation Form

Village of Spring Green

154 N. Lexington Street PO Box 158 Spring Green, WI 53588 Phone: 608/588.2335

Residents may install a deduct meter that will accurately meter the amount of water that is used outisde the home and does not enter the Village sanitary sewer system. This water is then deducted from the sewer gallons used to compute the quarterly sewer charge.

A rental fee shall be charged for the use of this meter and the following rates shall apply:

5/8	inch meter	\$13.50	per quarter
3/4	inch meter	\$13.50	per quarter
1	inch meter	\$21.45	per quarter
1 1/4	inch meter	\$28.77	per quarter
1 1/2	inch meter	\$36.69	per quarter
2	inch meter	\$53.43	per quarter

Residents have the option of hiring a professional plumber to install the new plumbing or do the plumbing themselves. If doing the plumbing themselves, the Village Building Inspector is required to perform an inspection for \$105.00.

This installation will require the water being shut off at the curb stop. This can only be done by authorized Village personnel. Please note that public works is available 7:00 am to 3:30 pm Monday through Friday.
